

WELCOME!

YOU ARE INVITED TO GO TO THE MUSICAL EVENT OF THE YEAR. WAMBA JAMBA JAM IS CELEBRATING ITS 6TH YEAR!!!

Please stop reading this and get back to your bench!

WHO?
Who will be there? Who will and your friends will too. Bill and Hillary will not. I have invited Jimmy Page but he has not RSVP'd yet. We can only hope.
LEO ZEPPELIN

This is where we just fill in the empty spaces with just about anything

WHY?
Why is it that anyone will want to go? dont bother coming, why not just go bowling for the day

WHAT!

What is Wamba Jamba Jam? WJTB is a party that started in 1987 in chucks basement. But since then his wife has kicked him out of the house and so in the house and so in public park and has moved to a public park and its all rock and roll and we like it
